"THE GAY DECEIVER"

One-Reel Star Comedy

Roy bribes a bill-poster, who is putting up ads for a girl show, to introduce him to the leading lady. He meets her and dates her up, after arranging with her leading man, who resembles him, to take Mrs. Roy to a dinner party.

While Roy is out painting the town red with the burlesque queen, Mrs. Roy is becoming infuriated at her supposed husband, who is flirting outrageously with all the other ladies at the dinner. After many amusing complications. Roy pays for his deception, however, because the show girl's husband comes in to the restaurant looking for trouble and forces Roy to come across with some cash to keep the matter away from his wife.
